Part II Course Details

1. Abstract

This course aims to:

- a. promote a global perspective on legal education among students with a view to enhancing their knowledge, understanding and skills relating to substantive legal issues;
- b. provide students an experience of studying and living in a foreign jurisdiction with a view to understanding their legal system, culture and different institutional settings;
- c. inculcate a sense of global understanding among law students which will benefit them in their professional careers;
- d. create a global partnership among law schools in different parts of the world with a view to developing new perspectives on legal education;
- e. identify courses and programmes on the basis of shared understanding and adaptability of the students of CityU to the particular foreign jurisdiction.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting (if applicable)	DEC related learning outcomes		
			A1	A2	A3
1.	Describe and explain the concepts and principles related to the individual law course under the G-LEAP			✓	
2.	Apply the concepts and principles to solve hypothetical or real situations			✓	✓
3.	Communicate ideas, arguments or advice clearly and coherently both orally and in writing		✓	✓	✓
4.	Critically analyse and evaluate concepts, principles and policy underpinning the area of law covered by the course		✓	✓	✓
		100%			

A1: *Attitude: Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.*

A2: *Ability: Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to real-life problems.*

A3: *Accomplishments: Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.*

Alignment of CILOs with PILOs:

PILOs		CILOs
1	Explain and assess specified areas of the law and the legal system of Hong Kong, with particular emphasis on the law in action and the dynamic interplay between law and other social phenomena.	1, 3
2	Assess the common law system and its values, and its interaction with the law and legal system of mainland China, the East Asian region and the wider world.	
3	Explain, interpret and apply main principles of ethics, civil duty, and social and professional responsibility.	
4	Critically assess the strengths and weaknesses of law as a means of regulating society in the context of competing and conflicting interests.	4
5	Demonstrate and apply skills of legal analysis and reasoning, of legal research, or problem solving, and of oral and written communication to a level appropriate to a graduate-entry degree in law.	2

3. Learning and Teaching Activities (LTAs)

(LTAs designed to facilitate students' achievement of the CILOs.)

LTA	Brief Description	CILO No.				Hours / week
		1	2	3	4	
1	Lectures – students will acquire basic knowledge of the relevant concept and principles, including by asking or responding to questions	✓				
2	Group discussions/exercises – students will get an opportunity to apply law or legal principles to practical situations; Tutorials – students will apply their understanding of legal concepts and principles to solve hypothetical situations		✓			
3	Tutorials – oral presentations and written submissions; Consultations			✓		
4	Lectures – students will develop critical analytical abilities by observing and participating in discussions; Guided reflective pre/post-class reading				✓	

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Again, although precise assessment tasks will be determined the visiting faculty and/or the course leader so as to ensure a proper alignment with CILOs and TLAs, few potential assessment tasks are specified below. Taking into account the nature of the subject and the duration of the course, the visiting faculty and/or the course leader will decide if the assessment will be wholly by coursework or by a combination of coursework and examination. The nature of examination (whether closed book or open book) will also be determined by the visiting faculty and/or the course leader. The exact assessment tasks will be notified to students at the beginning of the course.
