Course Syllabus**

**offered by Department of Social and Behavioural Sciences
with effect from Semester A 2024 /25**

Part I Course Overview

Course Title:	Social Work Practice in a School Setting
Course Code:	SS5317
Course Duration:	One Semester
Credit Units:	3
Level:	P5
Medium of Instruction:	English, supplemented by Cantonese/Putonghua in live demonstration, skills rehearsal, and role-play exercises as situation requires.
Medium of Assessment:	English
Prerequisites: <i>(Course Code and Title)</i>	Nil
Precursors: <i>(Course Code and Title)</i>	Nil
Equivalent Courses: <i>(Course Code and Title)</i>	Nil
Exclusive Courses: <i>(Course Code and Title)</i>	Nil

Part II Course Details

1. Abstract

The aim of this course is to equip social work students to be a competent school social worker at Master's Degree level. Policy context of school social work in kindergarten, primary schools and secondary schools will be discussed in the first part of the course. Students will be introduced to different theories related to working with children, young people and their families in school social work setting. Students will also be equipped with specific skills through role-play and case discussion in working with their clients in school social work settings, including kindergarten, primary schools and secondary schools. Particular attention will also be paid to understand specialised issues like child abuse and neglect, student suicide, special educational needs and how to work with those clients and their families in different school social work settings. Furthermore, working with different professionals in school social work settings and handling school crisis will also be introduced.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	Describe the contemporary challenges children and young people face in their school.	10%	✓		
2.	Describe the policy context of school social work service in Hong Kong	10%		✓	
3.	Describe the theoretical framework in understanding youth problems.	30%		✓	
4.	Describe the evidence of effective intervention in school social work setting.	20%		✓	
5.	Apply different theories and evidence of effective practice in school social work setting.	30%			✓
		100%			

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Learning and Teaching Activities (LTAs)

(LTAs designed to facilitate students' achievement of the CILOs.)

LTA	Brief Description	CILO No.					Hours/week (if applicable)
		1	2	3	4	5	
Lecture	Lectures on contemporary children and youth issues, theories and policy context of school social work service in Hong Kong. This will be done through presentation and viewing of videos to understand the relationship of theory to contemporary children and youth issues.	✓	✓	✓	✓	✓	
Case Study and Discussion	Cases related to school social work practice will be used for students to understand how theories and research evidence be related to our practice. Small group discussion, debriefing will be held after each case study.	✓	✓	✓	✓	✓	
Guest Lecture	Guest speakers of related professional fields will be invited to conduct lectures, demonstrate practical skills or share their story to students.	✓			✓	✓	

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.					Weighting	Remarks
	1	2	3	4	5		
Continuous Assessment: 100%							
Small Group Presentation	✓	✓	✓	✓	✓	30%	
Participation	✓	✓	✓	✓	✓	10%	
Term Paper	✓	✓	✓	✓	✓	60%	
Examination: _____ % (duration: _____, if applicable)							
						100%	

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Applicable to students admitted before Semester A 2022/23 and in Semester A 2024/25 & thereafter

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B, B-)	Fair (C+, C, C-)	Marginal (D)	Failure (F)
1.Small Group Presentation (30%)	Competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.	Extremely and strongly able	Actively and highly able	Moderately Able	Just able	Not able
2.Participation (10%)	Students are required to participate in discussion in each lecture.	Strongly able	Highly able	Moderately Able	Seldom participate and just able	Not participate and not able
3. Term Paper (60%)	Capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Strongly able	Highly able	Moderately Able	Just able	Not able

Applicable to students admitted from Semester A 2022/23 to Summer Term 2024

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B)	Marginal (B-, C+, C)	Failure (F)
1. Small Group Presentation (30%)	Competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.	Strong evidence for the competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.	Good evidence for the competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.	Fair to limited evidence for the competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.	Insufficient evidence for the competence to examine critically and apply innovatively the theories and concepts for case assessment, treatment goal formulation, and design of intervention strategies through presentation, role play and demonstration.
2. Term Paper (60%)	Capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Strong evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Good evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Fair evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Limited evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.
3. Participation (10%)	Students are required to participate in discussion in each lecture.	Strong evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Good evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Fair evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.	Limited evidence for the capability to understand and examine critically, apply innovatively the knowledge and theories in case assessment and intervention, and discuss critically the application of the theories in local context.

Part III Other Information (more details can be provided separately in the teaching plan)

1. Keyword Syllabus

(An indication of the key topics of the course.)

Introduction

Policy context and contemporary policy issues in school social work services in kindergarten, primary schools and secondary schools will be introduced. Students are then required to critically analysis the policy objectives of current school social work service.
