## Pathway for Research, Innovation, and Multinational Engineering (PRIME) (any major in College of Engineering + Overseas Experience / Interdisciplinary / Entrepreneurial Training)

The **Pathway for Research, Innovation, and Multinational Engineering (PRIME)** is a flagship programme of the College of Engineering designed to provide exceptional students with a comprehensive education in engineering and opportunities to gain valuable experience through research internships and work placements in top universities and companies worldwide. It is intended to equip students with the skills and knowledge needed to excel in the field of engineering and to prepare them for successful careers in the global engineering industry. The PRIME programme is open to talented and motivated students with a passion for engineering and a commitment to excellence.

## KEY FEATURES

- **Free Choice of Major:** Students admitted to the PRIME programme are free to choose any major in the College of Engineering upon accepting the offer. They will be enrolled in one of the departments before starting their first year of study.
- **One-on-one Mentorship:** Each student will be paired with a faculty member who will provide personalised guidance and support throughout the programme.
- **Overseas Experience in Year 3 or Year 4**
  - ▶ **Research Internship:** Selected students will have the opportunity to work with leading researchers in top overseas universities.
  - ▶ **Global Work Placement:** Selected students may also have the opportunity to be placed in an international company in North America (US, Canada), Europe (France, Germany, Switzerland, etc.), and other developed countries (Singapore, South Korea, Japan, etc.).
- **Interdisciplinary Final-year Project:** Leveraging faculty members' diverse research expertise and state-of-the-art research facilities, students will receive support to conduct interdisciplinary research in their final-year projects, offering valuable experience for their future professional endeavours.
- **Guaranteed admission to CityUHK PhD programme<sup>#</sup>,** providing a clear pathway for students interested in furthering their academic and research career.

## OTHER FEATURES

- Undergraduate plus Master's Degree Programmes
- Minor in Engineering Entrepreneurship
- CityUHK X Sino Grand Challenges Scholars Program
- Student Exchange Programmes, Study Tours and the Cultural & Language Immersion Scheme

<sup>#</sup>Upon meeting the entrance requirements for PhD programme when the student graduates from PRIME.

# FLAGSHIP SCHOLARSHIPS FOR LOCAL JUPAS STUDENTS

Local JUPAS students admitted to the Flagship Programmes with outstanding HKDSE examination results shall be automatically considered for the Flagship Scholarships. The Flagship Scholarships include:

- Tuition and hall fees incurred at CityUHK and are tenable for the normal duration of the programmes concerned
  - ▶ Full Scholarship: 100% tuition and hall fees (double room occupancy)
  - ▶ Half Scholarship: 50% tuition and hall fees (double room occupancy)
- Guaranteed berth in the Halls of Residence
- A one-off special sponsorship of a maximum amount of HK\$500,000 for an overseas exchange of up to one year at a top-ranked university

Full Scholarship (100% tuition and hall fees)	Half Scholarship (50% tuition and hall fees)
Criteria (minimum HKDSE score*)	
27.5	24.5

\* The HKDSE score is calculated by adding the scores of 3 core subjects and 2 electives, excluding Citizenship and Social Development with the best results (see Scoring Scale below). If a student has attempted the subject more than once, the best result of the subject will be used for the score calculation.

## Scoring Scale

HKDSE Category A Core and Elective Subjects (including M1/M2)	
Level	Score
5**	8.5
5*	7
5	5.5
4	4
3	3
2	2
HKDSE Category C Other Language Subjects	
Level	Score

Level 6	7
Level 5	5.5
Level 4	4
Level 3	3
French / German / Spanish	
C2	7
C1	5.5
B2	4
B1	3
A2	3

## Remarks:

1. No application is required for the Flagship Scholarships. Eligible students will be notified of the Flagship Scholarship awards by email on the JUPAS Main Round Offers announcement date.
2. The Flagship Scholarships shall be automatically renewed each year on condition that the student continues his/her study in the Flagship Programme by the end of Semester B each year.
3. JUPAS entrants are not allowed to hold President's Scholarship and Hong Kong Tech Scholarships, Institutional Scholarships, Dean's Scholarships, and Flagship Scholarships, concurrently. If an entrant is selected for more than one scholarship, only the scholarship with the highest amount will be awarded.
