

Connect Windows 11 to CityU WLAN

- a) Click the **"Network"** icon in the task bar to list the available Wi-Fi networks in range.

- b) Select **"CityU WLAN (WPA)"** and then click the **"Connect"** button.

- c) When prompt, enter your **EID**, **network connection password** and then press the **"OK"** button to login.

- d) A security alert box may be displayed. Click the **"Connect"** button to continue.

e) You may enjoy Internet access upon successful logon.
