

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the frame, creating a modern, dynamic feel. The central area is a plain white space where the text is located.

# GE1360

# Introductory Physics

- ▶ It is equivalent to PHY1400
- ▶ Same lectures and course handouts
- ▶ You can learn physics knowledge and skills useful for life sciences and other non-engineering disciplines
- ▶ Topics covered: Mechanics, Heat, Wave and Optics.
- ▶ Teaching activities: Lectures, Lab
