Grading of Student Achievement: Standard (A+ A A- ... F)

Students are required to attend at least 70% of the classes (lectures, seminars, presentations). If a student does not meet this requirement, he/she may be disqualified for assessment.

The assessment in LW6103E Company Law shall differ from the assessment in LW4656 LLB Company Law I by involving a level of complexity and sophistication appropriate to a course conducted at the postgraduate level.

To pass this course students must obtain an aggregate mark of 40% and a minimum of 40% in each of the coursework and the examination elements of the assessment. Coursework for this purpose means those ways in which students are assessed otherwise than by the end of session examination.

The portion of the overall mark allocated to performance/participation in inter-active in class activities will be assessed on the quality of the participation. Assessment criteria for those activities, their nature and their timing will be set out in the study guide/course manual and will be further expanded upon by the course leader.

The duration of the examination is 2 hours.

To enable the full benefit to be obtained from this course, students should attend all of the classes, read analytically the assigned material, and participate actively in tutorials.

5. Assessment Rubrics
