## Part II Course Details

### 1. Abstract

This course aims to help students to develop critical perspective in social work intervention and understand the nature, theories and strategies of critical social work practice in the local context.

### 2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	critically analyse the power issues and disempowerment in social work practice;	20%	√	√	√
2.	explain critical perspectives in social work practice;	40%	√	√	√
3.	demonstrate knowledge and strategies of different intervention approaches in critical social work practice.	40%		√	√
		100%			

**A1: Attitude**

*Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.*

**A2: Ability**

*Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.*

**A3: Accomplishments**

*Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.*

### 3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	Hours/week (if applicable)				
		1	2	3		
TLA1: Lecture	Lectures will cover the topics related to all CILOs and will be used to explain the concepts, theories and methods of critical social work practice.	√	√	√		
TLA2: Video shows in lectures	Video shows about real life cases and situations will be shown to help students get a better grasp of the concepts and integrate what they have learnt to the local Hong Kong context. It will mainly contribute to achieve CILO 2 and 3.		√	√		
TLA3: Experiential activities in lectures	Experiential activities will be used to help students develop critical social work perspective and stimulate their reflection on oppression and discrimination faced by socially disadvantaged groups in Hong Kong societies (CILO 2).		√			
TLA4: Guest lectures	Guest speakers will be invited to share with students about social oppression and discrimination (CILO 2 & 3), and the use of critical social work practice in Hong Kong (CILO 3).		√	√		
TLA5: Class discussions and exercises and practice demonstrations	Class discussions, exercises and practice demonstrations will be frequently used to help students have further discussion and sharing on the concepts and knowledge they learnt from the lectures and the assigned readings. These teaching and learning activities are expected to achieve all CILOs.	√	√	√		
TLA6: Group presentation	Students are asked to divide among themselves into small groups to have a presentation on one chosen topic in class.	√	√	√		

	The topics are related to the achievement of CILO 1-3. Students are recommended to bring the voices of people of socially disadvantaged groups to be heard in the presentation. They can either invite 1 or 2 members of the socially disadvantaged groups to the class, or interview some members of the special need group they choose, collect their voices and let classmates have a chance to listen to their views.					
TLA7: Online sharing in Discussion Forum via e-portal	An on-line Discussion Forum will be set up to help students exchange their views, questions, comments and feelings on their learning in this course. Students can share whatever topics they like, so this activity is relevant to all CILOs.	√	√	√		

#### 4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)
