Part II Course Details

1. Abstract

This course aims to develop research students' research skills in carrying out independent study on a relevant topic of their own choice; and deepen their understanding of the topic. Students will be trained to do literature review on the chosen topic, and critically evaluate the literature.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)

No.	CILOs	Weighting* (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1.	Perform adequate research for relevant literature on their chosen topics		✓	✓	
2.	Critically analyse and evaluate the literature		✓	✓	
* If weighting is assigned to CILOs, they should add up to 100%.		100%			

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	CILO No.						Hours/week (if applicable)
		1	2	3	4			
Individual consultation meeting	The student meets the supervisor for report and consultation regularly accordingly to the schedule worked out between them during Week 1	✓	✓					

4. Assessment Tasks/Activities (ATs)

(ATs are designed to assess how well the students achieve the CILOs.)

Assessment Tasks/Activities	CILO No.					Weighting*	Remarks
	1	2	3	4			
Continuous Assessment: ____%							
Coursework: A research paper with annotated bibliography on the chosen topic of appropriate length (i.e. length to be acceptable by the supervisor)						100%	
Examination: ____% (duration: _____, if applicable)							
* The weightings should add up to 100%.						100%	

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Applicable to students admitted in Semester A 2022/23 and thereafter

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B)	Marginal (B-, C+, C)	Failure (F)
1.	N/A	N/A	N/A	N/A	N/A

Applicable to students admitted before Semester A 2022/23

Assessment Task	Criterion	Excellent (A+, A, A-)	Good (B+, B, B-)	Fair (C+, C, C-)	Marginal (D)	Failure (F)
Research Paper	Original thinking; Critical thinking; Research ability; Intellectual ability; Clarity of presentation	Superior grasp of subject matter; strong evidence of original thinking; strong evidence of critical thinking and intellectual abilities; strong evidence of familiarity with the literature; strong evidence of research ability; clarity and effectiveness in writing and presentation	Grasp of subject matter; some evidence of original thinking, critical thinking and intellectual abilities; some evidence of familiarity with the literature; some evidence of research ability; effectiveness in writing and presentation	Some understanding of the subject matter; little ability to develop solutions to simple problems; some sign of research; little critical and analytical capacity; some problems in writing and presentation	Marginal familiarity with the subject matter to enable the student to progress without repeating the course; very little sign of research and critical thinking; weakness in writing and presentation	Insufficient familiarity with the subject matter to enable the student to progress without repeating the course; no sign of research and critical thinking; poor in writing and presentation

Part III Other Information (more details can be provided separately in the teaching plan)

1. Keyword Syllabus

(An indication of the key topics of the course.)

Topics to be covered in the course will depend on students' interest and the availability of expertise among teaching staff on their chosen topics.

2. Reading List

2.1 Compulsory Readings

(Compulsory readings can include books, book chapters, or journal/magazine articles. There are also collections of e-books, e-journals available from the CityU Library.)

Compulsory readings assigned by supervisors

2.2 Additional Readings

(Additional references for students to learn to expand their knowledge about the subject.)
