

CityU School of Energy and Environment (SEE) Industry Ready Programme Programme Information

About the SEE Industry Ready Programme

“**SEE Industry Ready Programme**” is a unique programme established by the School of Energy and Environment (SEE), City University of Hong Kong, in collaboration with the industry partners (including professional bodies and companies) to provide **out-of-class work-related training to SEE undergraduate students**. The programme aims to enhance SEE graduates' employability and broaden students' job knowledge in environmental and energy, engineering, and science-related areas.

The programme covers **three tracks**, namely **energy/building-energy efficiency; environment; and sustainability**. The School will continue to explore new industry partnerships to expand the work-related training scope and internship opportunities under this programme to boost SEE students' employability.

AN UNIQUE PROGRAMME TO PROVIDE OUT-OF-CLASSROOM WORK-RELATED TRAINING THROUGH CONCERTED EFFORTS WITH RENOWNED INDUSTRY PARTNERS AND PROFESSIONAL BODIES.
