Application for PhD by Innovation (CAI01)

Notes:

- (1) This form is for the application by <u>current CityU PhD students</u>. Approval of such requests is subject to the availability of student quota and the recommendations of the relevant parties.
- (2) The completed application form shall be submitted to the CityU Academy of Innovation (CAI) for approval.
- (3) The student's financial assistance will remain in the same arrangement as the original PhD programme admitted.
- (4) Coursework and other requirements are to be confirmed by CAI and the academic units in accordance with prevailing requirements for the PhD by Innovation students. Application for a change of course plan is required when necessary.
- (5) Subject to the approval of relevant AUs, Supervisors, Industrial Advisors, CAI, and SGS, the student will be allowed to transfer back to the original PhD programme and required to fulfil the prevailing requirements for graduation. The student's PhD by Innovation study period will be counted towards the PhD candidature.
- (6) The application and the related arrangements are subject to the University's prevailing practice and policy.
