Check points

Yan Chau Tong

Yan Chau Tong Marine Park is located on the northeast coast of Plover Cove Country Park which was designated in July 1996. The total sea area of this marine park is about 680 hectares.

Ap Chau Duck's Eye

The sea arch of Ap Chau is named Duck's Eye, it is one of most famous geological attraction on the island. The arch is around two meters high by 10 meters wide; it is the geological product of 8000 years of wave erosion.

Kat O Island

Lying close to China, in the northeast of Plover Cove Country Park, this far-flung island is home to merely a few hundred people. Also known as Crooked Island, thanks to its irregular shape, Kat O was once a thriving fishing village with nearly 300 years of history.

Kat O The Marriage Tree

According to legend, as long as the coin is thrown through the heart-shaped ring of the root of the tree, the marriage can be achieved.
