Part II Course Details**Abstract**

Advanced internship is a prolonged internship experience, which allows students to complete an internship with a duration of more than one semester. This course is designed to enhance and enrich students' educational experience by integrating the academic component of their degree programme with the practical workplace experience gained at the internship site in local and/or international contexts. The course provides an opportunity for students to apply theories, practices, and skills in the workplace setting, and to critically reflect on the efficacy of the knowledge learned in the classroom.
